Sports for schools

On Wednesday 5th June, we have a special visitor in school – Team GB Olympic medal winner Joel Fearon!

On the day, all pupils will take part in a sponsored fitness circuit run by Joel, a great way to get all children moving and having fun! Joel will also be taking part in a special assembly.

Look out for sponsorship forms coming home this week. Money raised for the event will go towards new sports equipment.

Amazing learners!

There has been lots of amazing learning going on across school this week. Here are Y3 children doing some cave art – pretending to be cavemen of course!

We are very proud of our Y6 children who all tried so hard during their recent SATS. We want all children to do their very best, but we know that all children deserve an exciting curriculum and to be confident and happy. Here's a picture which shows just that - one of our super Y6 pupils watching their model come to life on our new 3D printer!

Allergies

We update our list of pupils with any allergies or dietary requirements every year. If your child has an allergy we already know about, a new form will be sent home for you to complete.

If your child has an allergy or dietary requirement we don't know about, then please ask the school office for a form or download from our [website here](#).

Diary Dates

Please remember these rules when on school grounds:

No dogs are allowed on the school site.

No smoking or vaping on the school site.

Please dismount bicycles and scooters when on the school site.

Please park safely around our school site and be considerate of our local community.
