School Newsletter – Friday 7th June

Welcome back

We hope you have all had a good break. We're delighted with how well all the children have come back for the last half term of the school year. Time flies by at Arbrook with so much fantastic learning going on!

Fantastic fundraising!

Thank you for your support at our film night just before the holidays. We raised nearly £400 which is amazing and will really support activities and experiences next year.

Our next big event will be our Summer Fayre on Friday 5th July. We would be very grateful for donations for our tombola. These can be handed into your child's class teacher. We are looking for:

- bottles (of any kind)
- soft toys and teddies
- chocolates

Sports for schools

Due to circumstances beyond our control, we've had to postpone our visit from Team GB Olympian, Joel Fearon. We'll let you know the re-arranged date as soon as possible.

Free dentist appointments!

Pedmore Valley Dental Practice (near Beckhampton Road) are offering all children under 16 a free dental check-up at their family fun day on Thursday 8th August. You can find out [more here](#).

RSE

Please check ClassDojo or our website for more info' on the upcoming lessons for children which form part of our 'Relationships & Sex Education'.

You are welcome to attend a parent information event session which will take place on Tuesday 18th June at 2:45pm – come to our school office.

This is a chance for you to ask any questions and view the content that the children will be learning about. We find that for parents/carers who have anxieties about our RSE scheme are reassured when they find out what children will be learning. If you have any further questions, please speak to your child's class teacher or headteacher.

Please remember these rules when on school grounds:

No dogs are allowed on the school site.

No smoking or vaping on the school site.

Please dismount bicycles and scooters when on the school site.

Please park safely around our school site and be considerate of our local community.

Allergies

We update our list of pupils with any allergies or dietary requirements every year. If your child has an allergy we already know about, a new form will be sent home for you to complete.

If your child has an allergy or dietary requirement we don't know about, then please ask the school office for a form or download from our [website here](#).
